PKM TRUST - AT A GLANCE

Shri Patel Kelavani Mandal was established to provide educational facilities to the children of urban and rural areas. The mandal has been registered under Charitable Trust Act on 2nd August, 1968 under properly constituted managing body of trustees.

Since 54 years Patel Kelavni Mandal has been serving the society and has gradually developed 13 strong branches. The child enters the institute at the age of 3 years in playhouse holding his parents hand and leave the institute after post graduation confidently walking on his own feet to face the competitive world.

The highly educated, experience and devoted trustees have set a common goal for all the branches, i.e. to achieve excellence in academics and over all development by imparting quality education, which is character building, enriched with moral values and deep rooted culture for society.

The institutions are independently managed and have an excellent track record in the field of academics, sports, culture and various other activities. Each institution is given the best infrastructure with an urge to provide quality education to students at all levels.
